Subject: NHOU- Request to Gauge Groundwater Level at Sun Valley Gravel Pit

Kelly-

Yesterday, I received a call from Mike Ledeau (spelling?) from CH2M Hill, who asked permission to gauge groundwater levels at 2 wells at the Sun Valley Gravel Pit on the EPA's behalf. CalMat dba Vulcan Materials will cooperate with this EPA request and grant access to two production wells for well gauging purposes. However, since these wells are in-use, we will need at least 24-hours notice to shut them down. Also, we would be unable to pull the pumps out so the wells must be sounded with the pumps in-situ. Thanks.
